

JAIN PUBLIC SCHOOL
SCHOOL FOR LEADERS

Annual Report -2017-18

Respected Chief guest revered chairman, esteemed trustees, Principals and teachers of other schools, ever- supportive parents, my strong enthusiastic team members and the lovely bubbly students.

Annual day is a time for rejoicing, reflecting and taking resolution. As we set foot to the third year, we take pride in tracing our journey and presenting a fleeting glimpse of the past. Starting with a great vision in June 2015, we have sown the seeds of LEADERSHIP among our students

The adage, “Great leaders are born, not made.” is going to be changed by saying, every student in JPS will be made a LEADER no matter when and where he is born.

A humble beginning with 166 students in 2015 has risen to 350 this year. Further it is expected to increase rapidly in the years to come. Great support of the management, consistent encouragement by the parents, untiring efforts put in by the teachers and enthusiastic foot put forward by the students will take the school to the next level.

As I share the yearly updates of our activities, I take the modesty to say that we did our best to do as we had planned and we are proud of our students and teachers who strive hard to achieve beyond expectations. We have focused on the holistic development of the students.

1.Badge Presentation to the Leaders

To start with, the investiture ceremony marked the enthusiastic beginning of the new academic year. Leaders are not born but are made by their experiences in life. “Be thankful for quality competitors who push you to your limit.” Every month Internal Competitions were conducted for all the students to encourage them to participate, prepare and compete.
