

Dear Parent

This is to inform you that your ward is selected for “Vidyarthi Vigyan Manthan”, a unique online examination for educating and popularizing science among school students. The school has paid for the registration. 15 students from grade VI – VIII are participating in the state level examination followed by the national level examination. It is a wonderful platform for children and we request you to motivate your child for the same. The final examination will be held on 28th November in the school premises from 11:00 AM to 01:00 PM and Ms Srilekha (9840875684) will be coordinating for the same.
