

Dear Parent,

To promote love for reading and writing in young leaders, we have collaborated with **The Hindu** where every Friday in the “My Space” column on page 6 of student edition, a write up would be selected & published. We request you to motivate the children of **Std III - X** to send the write-ups at ranjini.r@jpschennai.org, post which it would be emailed to school@thehindu.co.in.

Also, we are happy that we are collaborating with **ILDC magazine for kids** where students of **Std IV – X** can directly send their article to intellecteditor@gmail.com. Students can write in Tamil/Hindi/English and the article will be published in the magazine. Student’s article should be innovative and creative based on their own ideas and it can be a short poem, story or a write-up.
