SCHOOL FOR LEADERS

FRENCH AS AN ADDITIONAL SUBJECT

Acad 25-26/Cir- 3 / 12th June, 2025

Dear JPS Families ,

1. As part of our continuous effort to offer diverse and enriching learning experiences, I am pleased to inform you that French, offered as an additional language at JPS for the past three years, will continue this academic year as well for students of Grades 4 to 8.
2. With great enthusiasm, I wish to share that I (Saravanan Thiyagarajan) will personally be handling the French classes from this year onwards. It gives me an immense joy to actively engage with our students in the classroom and contribute to their language learning journey.
3. We strongly believe that learning foreign languages at an early age enhances communication skills, cultural understanding, and global readiness. I look forward to making French both fun and meaningful for our children.
- . 4. Thank you for your continued trust and support .

Warm Regards

Tr. Saravanan Thiyagarajan
