JPS is Always Ahead of Time!

Bringing Back the Joy of Traditional Games

Dear JPS Families,

At JPS, we believe in blending tradition with innovation. As part of our unique approach to holistic development, we are thrilled to launch:

**Traditional Game Activities – The Joy of Childhood, Reimagined!**

These timeless treasures of Indian culture not only energise the body but also sharpen the mind and nurture social bonds.

Here's what your child will explore and enjoy:

*Paramapadham (Snakes and Ladders)*

*Pallanguzhi*

*Seven Stones*

*Killithattu (Atya Patya)*

*Nondi (Hopscotch)*

*Dhayakattai (Dice Game)*

*Tattangal*

*Patcha Kuthirai*

Let's revive the magic of our childhood and pass on this rich heritage to our children — the JPS way!
