Welcome

ISSUE 31 June 2024

“Greetings of the season to all our readers!”

Greetings of the season to all our readers!

- ☆ Welcome to another exciting EDGES at JPS! As we embark on this journey together, I am thrilled to share with you an innovative educational framework that we are integrating into our teaching and learning practices—Universal Design for Learning (UDL).
- ☆ **What is UDL?** Universal Design for Learning (UDL) is an educational approach that aims to meet the diverse needs of all learners. It is rooted in the belief that variability in learning is the norm, not the exception. UDL provides multiple means of representation, expression, and engagement, ensuring every student has equal opportunities to succeed.
- ☆ **Why UDL?** Our commitment to UDL is driven by our dedication to inclusivity and excellence in education. We understand that each student comes with unique strengths, challenges, and interests. UDL allows us to design our curriculum and teaching methods in a way that accommodates these differences, making learning more accessible and effective for everyone.
- ☆ **Why UDL?** Our commitment to UDL is driven by our dedication to inclusivity and excellence in education. We understand that each student comes with unique strengths, challenges, and interests. UDL allows us to design our curriculum and teaching methods in a way that accommodates these differences, making learning more accessible and effective for everyone.
- ☆ **For Students:** With UDL, you will experience a learning environment that recognizes and values your individuality. You will have the opportunity to learn in ways that suit your preferences and strengths. Whether through visual aids, interactive activities, or hands-on experiences, UDL ensures that you can engage with the material in the most meaningful way for you. Your voice and choices will be at the heart of your educational journey.
- ☆ **For Parents:** We understand that as parents, you want the best for your children. UDL allows us to provide a more personalized and supportive learning experience. You will see your children flourish as they engage with the curriculum in ways that align with their interests and learning styles. Our commitment to UDL means that we are constantly striving to remove barriers to learning, ensuring that all students can reach their full potential.

☆ **For Stakeholders:** Adopting UDL is a testament to our commitment to excellence and inclusivity. By implementing UDL, we are not only enhancing the learning experience for our students but also setting a standard for educational best practices. We invite you to join us in supporting this transformative approach, which promises to benefit our entire school community.

In conclusion, Universal Design for Learning represents a significant step forward in our mission to provide high-quality, inclusive education. We are excited about the possibilities it brings and look forward to seeing the positive impact on our students' learning and development.

Thank you for your continued support and partnership. Together, we can create a learning environment where every student has the opportunity to succeed.

☆ We are always interested in hearing your views. We invite articles on the topic **'Fostering a Culture of Innovation'** for our next issue of the newsletter. If you have any comments about the newsletter, or if you'd like to tell us about what's happening at school, please email us at **principal@jpschennai.org**.

INFOCUS Universal Learning Design

Embracing Universal Design for Learning at JPS

At JPS , we are committed to fostering an inclusive and dynamic learning environment. This year, we are excited to introduce Universal Design for Learning (UDL) as a cornerstone of our educational approach. UDL is a framework that enhances learning for all students by addressing the diverse needs of each learner. Here's a deeper look into what UDL is, its benefits, and how we plan to implement it.

What is Universal Design for Learning (UDL)?

Understanding UDL: Universal Design for Learning is an educational framework developed to improve and optimize teaching and learning for all people based on scientific insights into how humans learn. It emphasizes flexibility in the ways information is presented, how students demonstrate their knowledge, and how they are engaged in learning.

The Principles of UDL

1. Multiple Means of Representation: This principle involves presenting information and content in different ways to accommodate diverse learners. For example, teachers might use text, audio, video, and hands-on activities to explain a concept.

2. **Multiple Means of Action and Expression:** Students have different ways of demonstrating what they know. UDL encourages providing various options for students to express their understanding, such as through writing, speaking, drawing, or using technology.
3. **Multiple Means of Engagement:** This principle focuses on motivating and engaging students by offering choices and fostering interest. Teachers might incorporate games, collaborative projects, and real-world connections to make learning more relevant and exciting.

Benefits of UDL

1. **Inclusivity:** UDL creates a learning environment where all students, regardless of their abilities or backgrounds, have equal opportunities to succeed. It removes barriers to learning by accommodating diverse needs.
2. **Improved Engagement:** By offering various ways to engage with the material, UDL keeps students interested and motivated. This leads to higher participation and a deeper understanding of the content.
3. **Enhanced Learning Outcomes:** Students are more likely to retain information and develop critical thinking skills when they can access and express knowledge in ways that align with their strengths and preferences.

Implementing UDL at JPS

Teacher Training: Our teachers are undergoing comprehensive training to effectively incorporate UDL principles into their lesson plans. This includes learning about different teaching methods, understanding student variability, and utilizing technology to support diverse learners.

Curriculum Design: We are revising our curriculum to include multiple means of representation, action, and engagement. This involves creating flexible lesson plans that offer various options for students to interact with and demonstrate their knowledge.

Student-Centered Learning: At the heart of UDL is a commitment to student-centered learning. We are encouraging students to take an active role in their education by providing choices and fostering a sense of ownership over their learning journey.

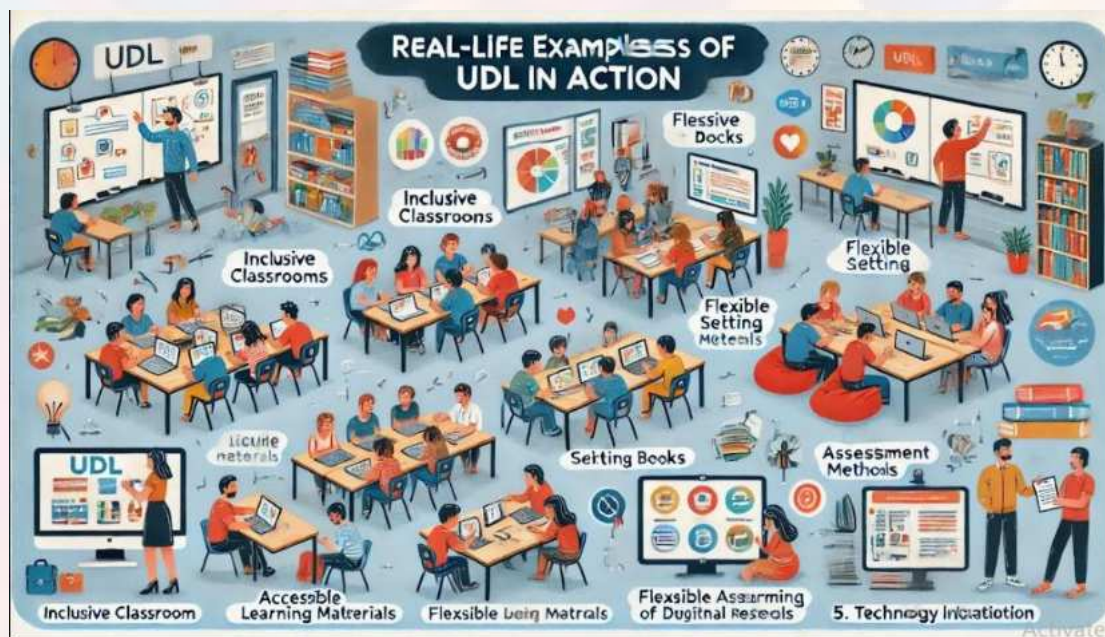

Real-Life Examples of UDL in Action

Flexible Seating: Classrooms are being equipped with flexible seating options, allowing students to choose where they learn best, whether it's a traditional desk, a standing table, or a cozy corner with cushions.

Interactive Technology: We are integrating interactive technologies such as tablets and smartboards, which provide students with various ways to engage with the content, from interactive quizzes to multimedia presentations.

Project-Based Learning: Our project-based learning initiatives encourage students to explore real-world problems and collaborate on solutions, allowing them to apply their knowledge in meaningful ways..

How Parents Can Support UDL

1. Encourage Exploration: Support your child's learning by encouraging them to explore topics that interest them in various ways. This could involve visiting museums, watching educational videos, or engaging in hands-on activities at home.

2. Communicate with Teachers: Stay in regular contact with your child's teachers to understand how UDL is being implemented and how you can support your child's learning at home.

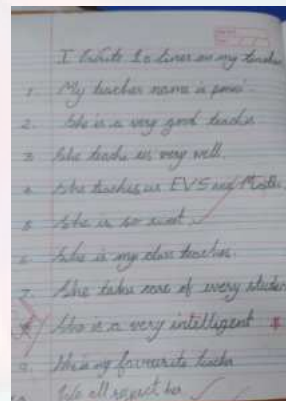

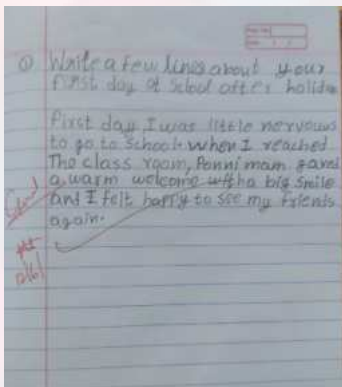

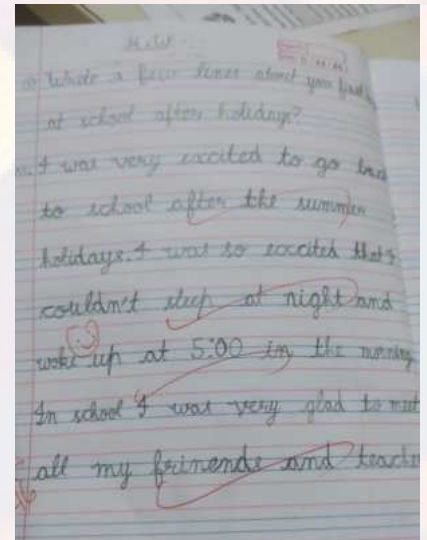

3. Provide a Flexible Learning Environment: Create a flexible and supportive learning environment at home that accommodates your child's preferred learning style, whether it's a quiet study area or a space for creative activities.

KG CORNER

First Day of School

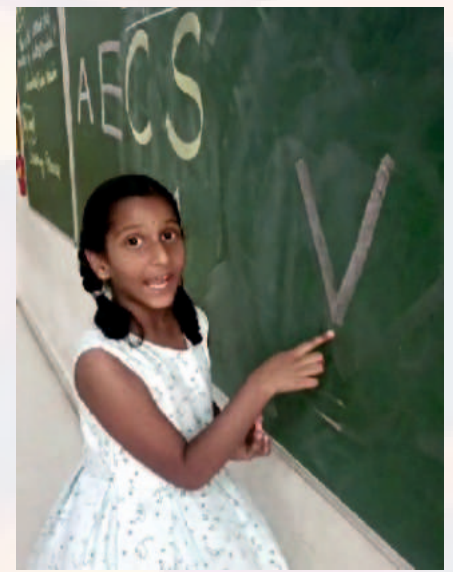

JPS welcomed the tiny tots. We believe each of you is a prince or princess in your own unique way. So put on your imaginary crowns, let your imagination soar, and let's embark on a marvelous journey together!

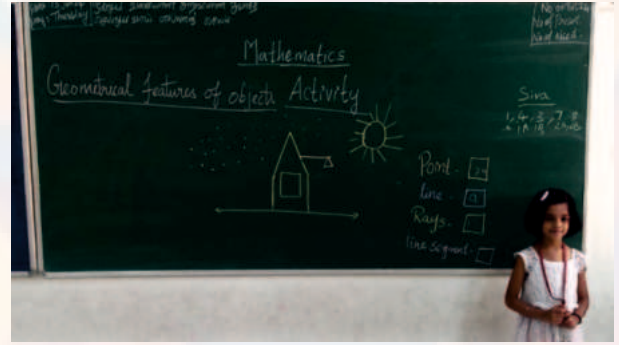

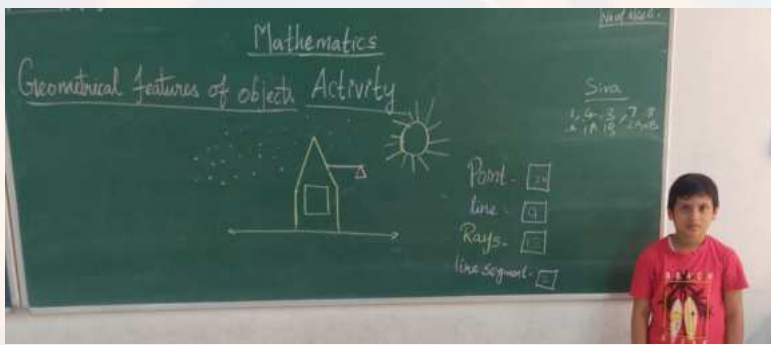

Our tiny tots are wrote first day of the school and about their teacher. Good work on your home work ! I'm so impressed by how you kept trying on this question, until I figured it out ! Thankyou for your appreciation, affection and your understanding .

Enhanced Understanding, By connecting different subjects, students gain a deeper understanding of concepts as they see how they apply in various contexts. Integrated learning fosters a holistic educational experience, preparing students for both academic and real-world. Grade 2- B. kids integrate math concepts correlate with English .

Engaging second graders with geometry, which encourages experimentation and learning from mistakes. It's also a great way for students to develop their motor skills and understand spatial relationships.

Excellent way to introduce young learners to the joys of art. At this tender age, children are just beginning to understand the world around them, and activities like these help in developing their sensory skills. The tactile experience of paint on their hands and the visual delight of seeing their prints on sheet can be quite thrilling. It's also a great way for them to learn about patterns, colors, and shapes.

Story Telling

Educators' CORNER

A good teacher can inspire hope, ignite the imagination, and instill a love of learning." True indeed. JPS wanted to take a moment to express the joy and pride in sharing with you. Our beloved principal had been awarded as an **Leadership in 21st Century Skill Development** for exceptional dedication and leadership for developing important 21st century skills among students. From **Logiqids** His passion for teaching and commitment to our learning experience have made a lasting impact on the children. His enthusiasm and support have inspired the entire JPS fraternity to strive for excellence.

Our Beloved principal sir welcome a group of government school teachers from Pudukottai district to Chennai by flight. It always brings immense joy to contribute to the teaching community, especially those who view their teaching and learning process as a service to underprivileged children.

Dear JPS Families,

1. We are thrilled to share some fantastic news with you all. JPS has achieved a significant milestone by becoming the first school in Kanchipuram District to establish a partnership with **IIT Madras for their Bachelor of Science (BS) program.**

2. This collaboration is a testament to our commitment to providing exceptional educational opportunities for our students particularly G10 to G12. Through this partnership, our students will have access to world-class resources, advanced curriculum, and expert guidance from one of the premier institutions in the country.

3. We are incredibly proud of this achievement and excited about the endless possibilities it brings for our students. This partnership is a significant step forward in our mission to deliver quality and right education and empower our students to achieve their dreams. Thank you for your continuous support and belief in our vision. Together, we will continue to reach new heights and set benchmarks for educational excellence.

Volley ball Virtuso

In the JPS PRO VOLLEY BALL, we rise with pride.
Where talent and passion seamlessly collide.
Players muscles burn, their breath runs quick,
In every move, a master's trick,
With strategy, they read the game
With every point, they build their fame
The position of players may differ.
"Attacker, Blocker, Defender, Hitter,
Spiker, Server, Setter, Libero"
Each aiming to make their game better.
In every game, you shine your bright
With every serve and every swing,
You show the world what dreams can bring.

ORDINATOR

AWARDS & ACHIEVEMENT

Harshini Gopalakrishnan studying in **Grade 8A** had performed dance program with her dance school at Guruvayur temple and Vishnumaye temple, Kerala. & participating **Asia's Biggest 100 days dance festival.**

The Winning series of **John & Ben** continues. Jain Public School is happy to inform that **John Samuel** of grade 5 participated in **Aces State Sub-junior tournament** with OMR badminton Association. **JOHN** was the **winner in Under 9 category**. Also **Benjamin moses** was the **semifianlist 1** and **John** was **Semifinalist 2** in under 11 state.

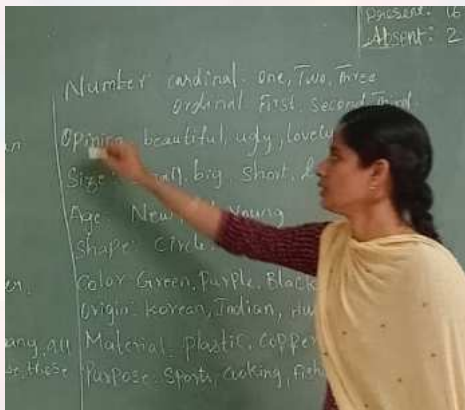

School Assembly Felicitation

Micro Teaching Workshop

Educators hone their craft! A microteaching workshop, led by Grade 3 to 8 Educators empowered teachers to refine their skills in a supportive environment. Micro-teaching focuses on practicing specific teaching skills in a condensed lesson format. This allows educators to receive targeted feedback and experiment with new strategies in a low-pressure environment.

Parent Orientation

The halls of Jain Public School buzzed with excitement on 1st June 2024 as the school held its **Parent Orientation Program**. This event, geared towards parents of new students, aimed to foster a sense of community and provide valuable information about the school's academic programs, extracurricular activities, and day-to-day

Writewiz

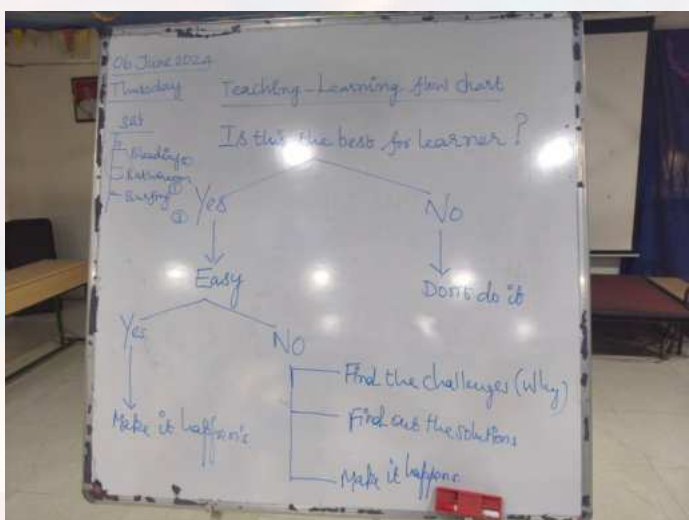

Nurturing Young Writers: Empowers Educators at JPS We recently hosted a successful Handwriting Orientation workshop in association with writewiz for its dedicated teaching staff. The workshop aimed to equip educators with the latest strategies and techniques for effectively teaching handwriting to students.

Teaching –Learning Process

Good Teaching as an Attitude

Unleash Potential: Teaching-Learning Process Workshop Empowers Educators
Empowering educators to create dynamic and effective learning environments is the aim of a new workshop focusing on the teaching-learning process. This interactive event will equip teachers with valuable tools and strategies to foster a love of learning in their students.

A Warm Welcome *to New Faces!*

A Warm Welcome to New Faces! We extend a particularly warm welcome to all our new students joining the JPS family this year. We know you might be feeling a mix of excitement and nervousness. Don't worry, everyone feels that way on the first day! Our friendly teachers, welcoming staff, and incredible upperclassmen are here to support you and make you feel right at home.

Cracking the Civil Services: Jain Public School Hosts UPSC Programme Presentation

In a shift from the usual focus on medical and engineering entrance exams, JPS hosting a comprehensive presentation on the UPSC Civil Services Examination . This programme is aimed at students interested in pursuing a career in civil service and contributing to the nation's development. The presentation at JPS will provide valuable insights into the **UPSC CSE**, covering aspects like: **Exam Pattern:** A detailed explanation of the three stages of the exam – Preliminary, Mains, and Interview. **Eligibility Criteria:** Information on educational qualifications, age limit, and number of attempts allowed. **Syllabus:** A breakdown of the subjects covered in the Preliminary and Mains stages. **Preparation Strategies:** Guidance on effective study techniques, resource materials, and time management. **Career Opportunities:** An overview of the diverse career paths available through the UPSC CSE.

"JPS stands tall in juggling scholastic and co-scholastic events. We are delighted to reward the young dancers who spent their holidays devoted to dance and shared glimpses of their efforts and graceful moves. Our mentor, Swathi, noticed the efforts of Laasya, Rithkrithi, and Dev, and the moment was captured with the coordinator and beloved Principal."

***Dancing is such a vibrant form of expression!"**
"Dance is the hidden language of the soul"
"Dance is the joy of movement and the heart of life"*

Newspaper Savant

Newspaper Savant Unfold a World of Knowledge In today's fast-paced world, filled with digital distractions, the importance of cultivating a daily newspaper reading habit cannot be overstated. Recently, I had the pleasure of addressing our students on the transformative power of newspapers.

Making Newspaper Reading a Habit:

Start small! Dedicate 15-20 minutes daily to reading sections that pique your interest. Whether it's sports headlines, science breakthroughs, or local news, find what ignites your curiosity.

Aksharabhyasam Ceremony

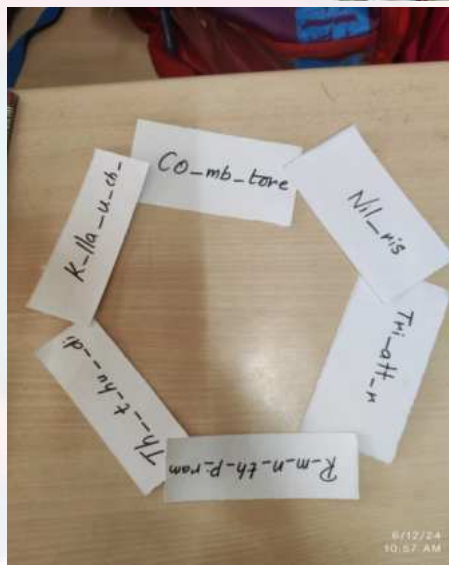

JPS Congratulates all the tiny tots on the **Aksharabhyasam Ceremony**. May all the young buds be blessed with the knowledge, wisdom, and understanding to succeed in life. Start of a new journey of learning and discovery.

Districts Across Tamilnadu Embrace Innovation

Learning Gets Liftoff! **Districts Across Tamilnadu-Embrace Innovation.** Gone are the days of rote memorization! In JPS we are integrating user-friendly platforms and engaging games, students learn **Basic Principles, Critical Thinking, and Skills for Thriving– all while having fun!** Learning is taking flight across as we break new ground with innovative educational programs! This highlights some of the exciting initiatives propelling students toward academic success and fostering a love of learning.

Plastics Pavilion Exhibition

Embracing Sustainability: Students' Insightful Journey at the Plastics Pavilion Exhibition. Interactive displays allowed students to engage with the recycling process firsthand, and expert talks emphasized the role each individual plays in reducing plastic waste. The teachers facilitated this learning journey by connecting the exhibits to real-world applications and encouraging thoughtful discussions. This visit was not just an educational outing but a call to action for the students, who left with a renewed commitment to recycling and protecting our planet.

INTERNATIONAL YOGA DAY

21st June

We JPS celebrated International Yoga Day with great enthusiasm. The event began with a group yoga session for students, teachers, and parents, led by a professional yoga instructor.

Various yoga asanas and breathing exercises were performed to promote physical and mental well-being. The school also organized a yoga competition and workshops on healthy living and mindfulness. Inspirational speeches by health experts and Principal highlighted the benefits of yoga in daily life. The celebration aimed to foster a holistic approach to health and fitness among the school community.

JPS 2ND PRO VOLLEY BALL LEAGUE

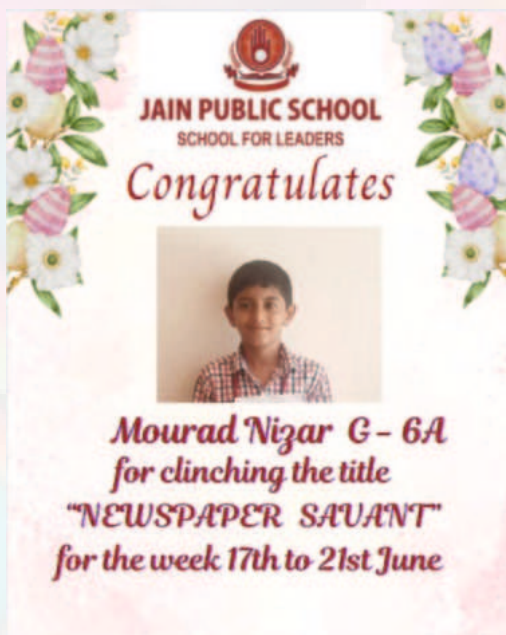

JPS Pro Volleyball League provides a platform for players to showcase their talent, engage with fans, and contribute to the overall growth of volleyball as a major sport. Following the overwhelming support from the crew of players around U17 and U15, a broad spectrum of skilled players participated in Season 1. For your enjoyment, here comes JPS Pro Volleyball League Season 2!

JPS is incorporating newspapers into the learning process can enhance students' critical thinking, reading comprehension, and awareness of current events. It provides real-world context to classroom lessons, encourages discussions, and improves vocabulary and analytical skills. Regular newspaper reading fosters a habit of lifelong learning and informed citizenship.

BEST OUT OF WASTE FASHION SHOW

We JPS "Best Out of Waste" fashion show was a hit among students and parents. The event highlighted creativity and sustainability, with students creating fashionable outfits from waste materials. Parents appreciated the school's effort to promote environmental responsibility and praised the creativity and organization of the event. The supportive faculty and excellent infrastructure were also commended, contributing to the overall success of the show, reinforcing the school's commitment to holistic education.

CAREER COUNSELLING

"Stay curious and keep exploring new skills to expand your career horizons."
Ms. Vijaya Maheswari, Career Counsellor.

BUDDING ARTISTS

The aim of art is to represent not the outward appearance of things, but their inward significance. To add value to the saying our young picasos of JPS grades 6-8 had presented the posters pertaining to the theme International Yoga day.

Amrithavarshini A
of Grade IX

Exploring the Self-Motivating Insights of Nammai Arivom
Hey Mates,

This is Amrithavarshini, your friend,
this time, we are diving into the eye-opening and self-motivating insights of the Tamil book "Nammai Arivom". This remarkable work on human psychology captivates the mind, heart, and soul. With its 14 thought-provoking chapters, it offers profound wisdom and practical guidance for personal growth and understanding.

My favorite chapter, ***Anbuvaithin Aayul*** particularly stands out. Nammai Arivom is a must-read for pre-teens and adolescents. It addresses the unique challenges and opportunities faced during these formative years, offering insights that can help young readers navigate their journey with confidence and clarity. The book's engaging narrative and relatable examples make complex psychological concepts accessible and relevant.

Whether you're a parent looking for a resource to guide your child, a teacher seeking to inspire your students, or a young reader eager to understand yourself better, Nammai Arivom is an invaluable companion. Its lessons are timeless, and its impact is profound, making it a cherished addition to any personal library.

So, let's uncover the secrets of the human mind with
Nammai Arivom.
penned by ***Sri Bhagavath***
